

THE ORIGIN OF THE NAME 'BLUE PETER'

The Blue Peter Hotel was named after the figurehead that was used on a ship named Galatea II in the 19th century. The original can be found in the Maritime Museum at the V & A Waterfront.

The Blue Peter was also a communications flag that was flown on ships. It was hoisted to signal to seamen that the ship was about to leave port and set to sea. You will notice that the 'Blue Peter' flag is flown every day in front of the Hotel.

We are ready to serve you and are open daily:
