

BLUE PETER – THE DECK BISTRO

The Blue Peter Hotel was named after the figurehead that was used on a ship named Galatea II in the 19th century. The original can be found in the Maritime Museum at the V & A Waterfront.

The Blue Peter is also a communications flag that is flown on ships. It is hoisted to signal to seamen that the ship is about to leave port and set to sea. You will notice that the 'Blue Peter' flag is flown every day in front of the Hotel.

We are ready to serve you and are open daily:
